YMCA Camp Collins

Financial Assistance Policy

Mission

To put Christian Principles into practice through programs that build healthy body, mind, and spirit for all through Love, Respect, Honesty, Responsibility, and Service.

Policy Statement

It is the policy of YMCA Camp Collins to provide services to all those who need them regardless of the ability to pay established fees. The intent of this policy is to be accomplished by setting fees at rates affordable to the majority of residents in the service area and by providing financial assistance to those for whom the YMCA's fees are not affordable. Those not able to pay a fee may be awarded assistance based on their demonstrated ability to pay and the YMCA's ability to fund the amount requested.

Guidelines

The YMCA believes a strong sense of ownership and pride is developed if the financial assistance recipient contributes to the cost of their YMCA involvement. Whenever possible, everyone will be asked to pay the deposit for a program. A sliding scale for the balance will be used, and staff will have the discretion to take into account special situations. In the case of programs that have multiple sessions, financial assistance may be awarded for only one session. Day campers may be awarded no more than three sessions.

In keeping with the YMCA's commitment to serve the entire community, we believe that it is critical to provide financial assistance to families at a rate consistent with their representation in the YMCA of Columbia-Willamette's service area. Our goal at YMCA Camp Collins is to never turn a child away for the inability to pay the full fees. However, our general guideline is to provide financial assistance to no more than 35% of the campers enrolling in camp, and not less than 20%.

Financial assistance will be reviewed for eligibility for each program period.

Selection Process

Financial assistance eligibility will be determined by the Camp Director or their designee, based on a review of the financial assistance application. The YMCA reserves the right to refuse assistance to any applicant.

Funding

Funds are the result of the generosity of YMCA supporters who give annual to the YMCA Community Support Campaign. Awards are made without regard to race, religion, sex, or any other legally protected status.
